BOOMING DEVELOPMENT

From our leaflet

ICR

VISION AND MISSION

>> VISION
A democratic society with museums as a forum for human understanding, through responsible use of natural and cultural heritage, past, present and future, tangible and intangible.

>> MISSION
ICR is an international committee of the International Council of Museums (ICOM) encouraging the development of regional museums for the benefit of their communities, through providing a forum for communication, co-operation and information exchange among museums, professionals and organisations.
