The image features a solid light blue background. Three dark grey lines originate from the bottom left and converge towards a single point at the top center. One line is a thick diagonal line extending from the bottom left towards the top center. Two other lines are thinner and extend from the top center towards the left and right edges of the frame, respectively, creating a wide, shallow V-shape.

MICHELANGELO PENSO  
DIMENSIONI INFINITE

The image features a solid blue background with three dark grey lines that converge towards a central point at the top. One line descends from the left towards the bottom-left corner, while two lines descend from the top point towards the right, one slightly above the other. The text is positioned in the lower right area of the frame.

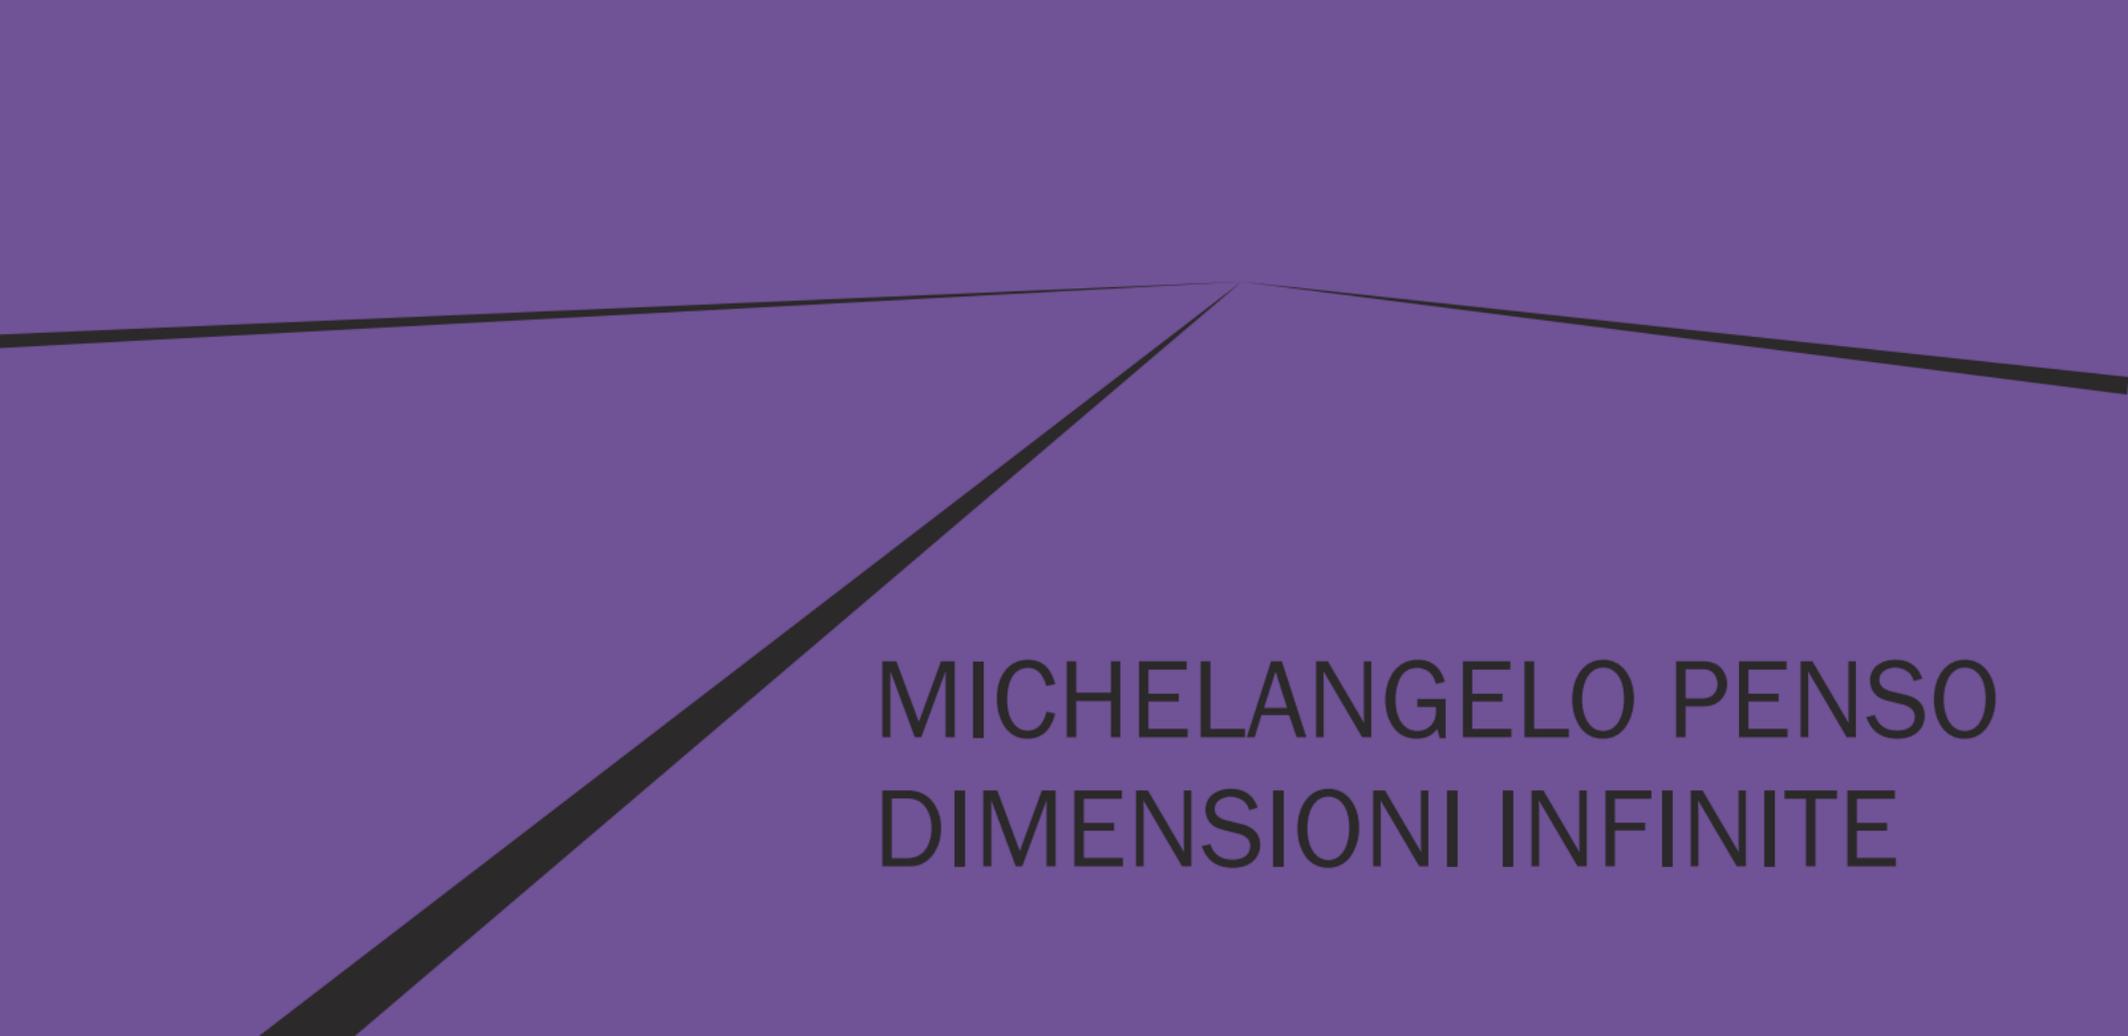

MICHELANGELO PENSO  
DIMENSIONI INFINITE

The image features a solid orange background. Three dark grey lines originate from a single point at the top center and extend downwards. One line extends diagonally towards the bottom left corner. The other two lines extend diagonally towards the left and right edges, respectively, and are slightly curved, creating a sense of depth or perspective.

MICHELANGELO PENSO  
DIMENSIONI INFINITE

An abstract graphic on a solid yellow background. Three dark blue lines converge towards a single point near the top center. One line descends from the left towards the bottom-left corner. The other two lines extend from the convergence point towards the left and right edges of the frame, respectively, with a slight downward slope.

MICHELANGELO PENSO  
DIMENSIONI INFINITE

The image features a solid purple background. Three black lines originate from the bottom left and converge towards a single point at the top center. One line is a thick diagonal line extending from the bottom left towards the top center. Two other lines are thinner and extend from the top center towards the left and right edges of the frame, creating a wide, shallow V-shape.
